Dancing Dots

Jenny & Jenni, both owners of their own dance studio, often discussed how difficult it was to attract younger members of the school without a strong brand. How frustrating it sometimes was engaging the class without a strong lesson plan in place, and how the baby class could sometimes be the hardest lesson of the entire timetable.

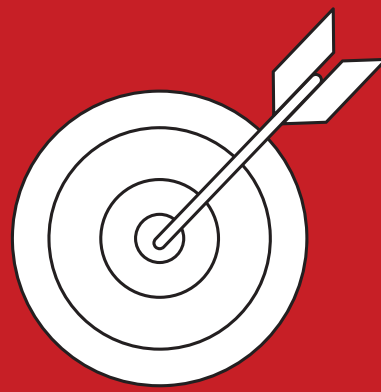

They decided to join forces to solve this problem and created a syllabus specifically for the pre-school market. They first created Ballerina Bear back in 2013 and this was soon followed by Hip Hop Hippo. Jenny & Jenni began teaching both Ballerina Bear and Hip Hop Hippo in their respective schools and soon saw a massive increase in their enrollment.

Due to the popularity and success of these classes it was decided that this should be shared with other dance teachers and studio owners. With so many dance schools setting up, it is sometimes difficult to stand out from the crowd. Yes, we know how to teach a class but getting little ones through the door is sometimes the hard bit. With our help you can be part of a brand and an award scheme that is appealing to both the dancers and their parents.

The Dancing Dots team is now inviting fully qualified dance teachers and professionals with suitable qualifications and experience to launch these brands within their own schools.

REWARD SCHEME

Why not try Dancing Dots Award Scheme in each subject?

These are a great way to keep the attendance up in class.
The dancers love earning stickers for their charts and at the end of each half or full term you can reward those with full charts with medals.

We suggest aiming to fill a chart with 6 stickers over 12-week term to allow for absences or for dancers who join half way through the term to catch up. Then, at the end of every term, you can have a presentation and even invite the parents for a demonstration of what they have been doing in class.

These can be great little fundraisers too.

For Ballerina Bear and Hip-Hop Hippo, we operate a reward scheme with coloured ribbon medals. We also supply certificates for each colour earned.

There are 6 colours to collect, so that is 6 full terms of awards to collect (one and a half years worth of awards).

If all the charts are filled before the dancers are due to move up to your next classes, we have 3 extra awards for them to collect:

● Bronze ● Silver ● Gold
